About us

Headline Events is a full-service event management and decor company. Our dynamic sister duo is more than capable of taking your event from concept to production without a hitch. We take the hassle out of everyday function arrangement and thrive on exceeding your every expectation.

With a combined total of twenty five years' experience in all aspects of events and function décor, we have the knowhow to manage and execute any event no matter how big or small.....we do it all.

This catalogue is a high lever overview of available stock and can change monthly, please feel free to contact us should you have requirements not listed.
